Amalfi Coast (Sorrento, Positano, Amalfi) & Capri: 1 BOAT AVAILABLE

In the area of the Amalfi Coast & Capri we have 1 boat, the beautiful and classic looking Apremare Smeraldo 9 (maximum 11 passengers). The prices for your private tour are on request. This is because being a big area to navigate and having many possibilities of touring we need to calculate, based on the number of people and the exact tour requested, the fuel costs as the fuel cost will be included on the price.

Our tours in the area are tailored to your needs and the purpose of your trip. We can offer you many options including: departing from Sorrento, Amalfi or Positano and visiting the beautiful island of Capri. Or you can tell us, depending on your departing town, which landmarks of the beautiful Amalfi coast you wish to visit. Alternatively our local knowledge can help you build an unforgettable day tour under our care to experience the beauty of the Amalfi Coast from the best perspective, the sea, in our Apremare Smeraldo under our care. We also offer honeymoon tours, sunset tours, business events, road & boat tour (an innovative way of enjoying the Amalfi coast, both by road and by boat), etc. We will endeavor to design the best tour according to your needs and give you the best possible price. So contact us as soon as possible so we can get started with planning your unforgettable experience with us.

Our mission is to make your experience with us "the best part of your holidays in Italy".

Boat Description:

This impeccable, spacious, powerful, practical and classic looking ApreaMare Smeraldo 9 is almost in new condition. Our partner (also the owner and Captain of the boat) specially chose this boat for the enjoyment of our customers, having in mind safety, comfort and practicality.

*The **Smeraldo** is a classic Italian Boat built by the Historic "Cantiere ApreaMare" in Sorrento, near Naples.*

*The idea by its designers was to create a boat where the design, functionality, comfort, performance and tradition go hand to hand, and at the same time keeping the traditional shape of a Gozzo Sorrentino Boat. The **Smeraldo** is spacious and comfortable inside and has a classic feel, with its wood interior finishing giving it a classic appearance. Our boat has all the equipment necessary for your private tour with us: 1 cabin with bed, sofa and table, WC, fresh water shower, plenty of comfortable chairs and sunbeds around the open space of the boat.*

This is a boat which has been refurbished completely recently taking into consideration every aspect for the comfort of our guests. The boat can travel up to 32 knots (62 kmh) on cruise.
